## Bringing your new Bloodhound Puppy home....

A Coloring Book - especially for our little  
bloodhound owners

Created By: Kailyn Brooks

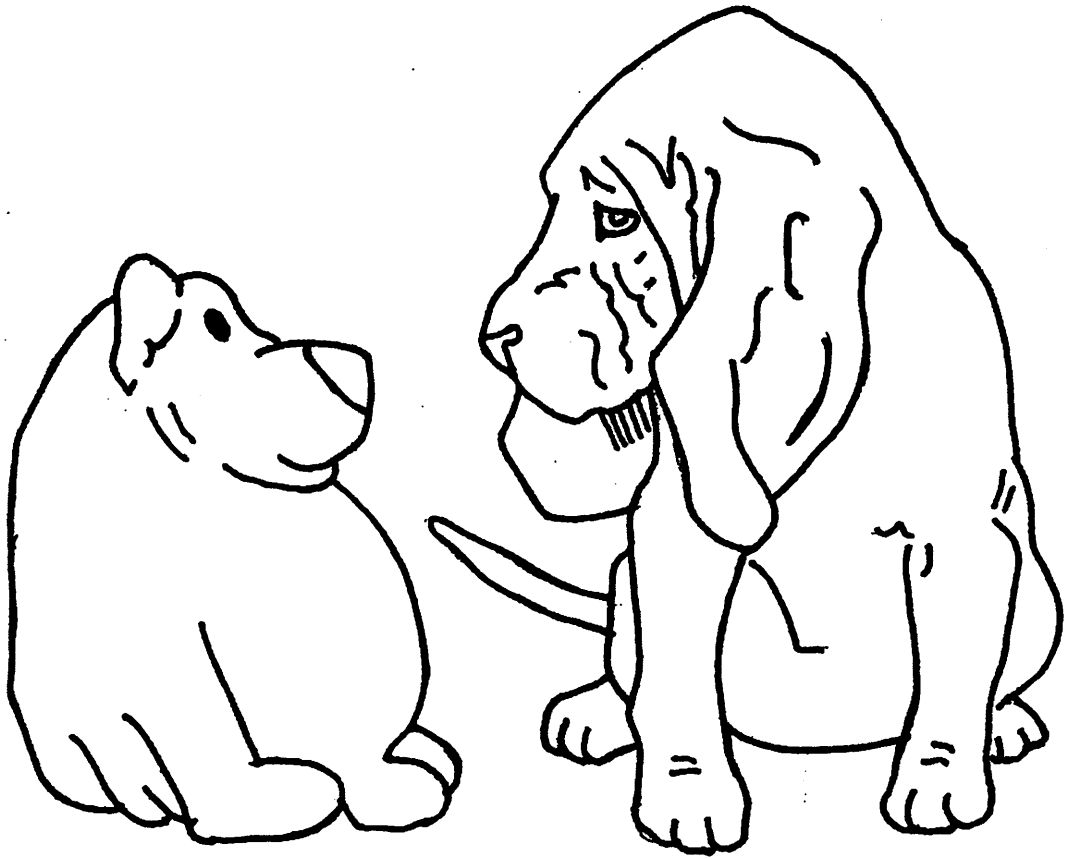

Bloodhounds like to explore the world outside; he would like to go for walks with you

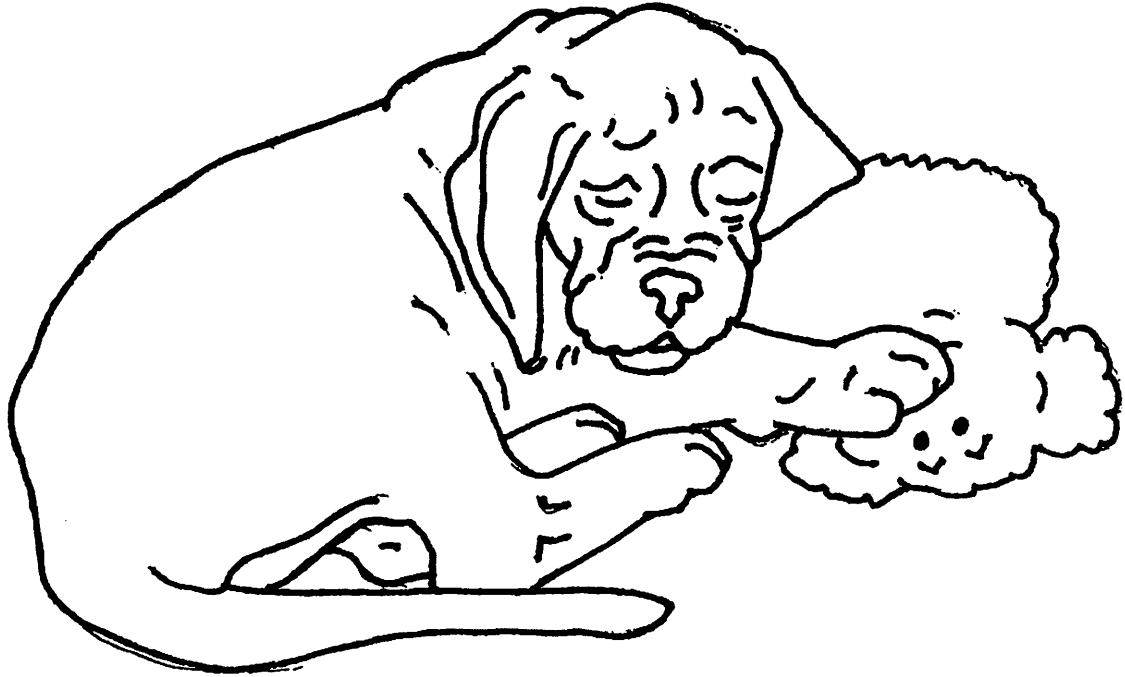

Puppy needs bath time and his toenails trimmed once a month to keep him soft and shiny.

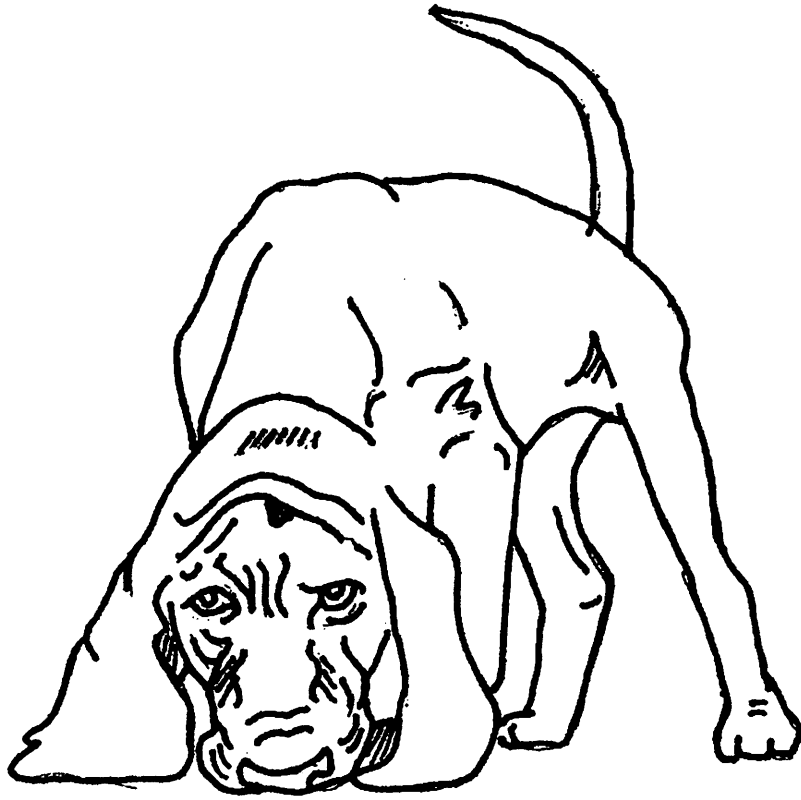

Puppy likes to play in water, help him learn to swim

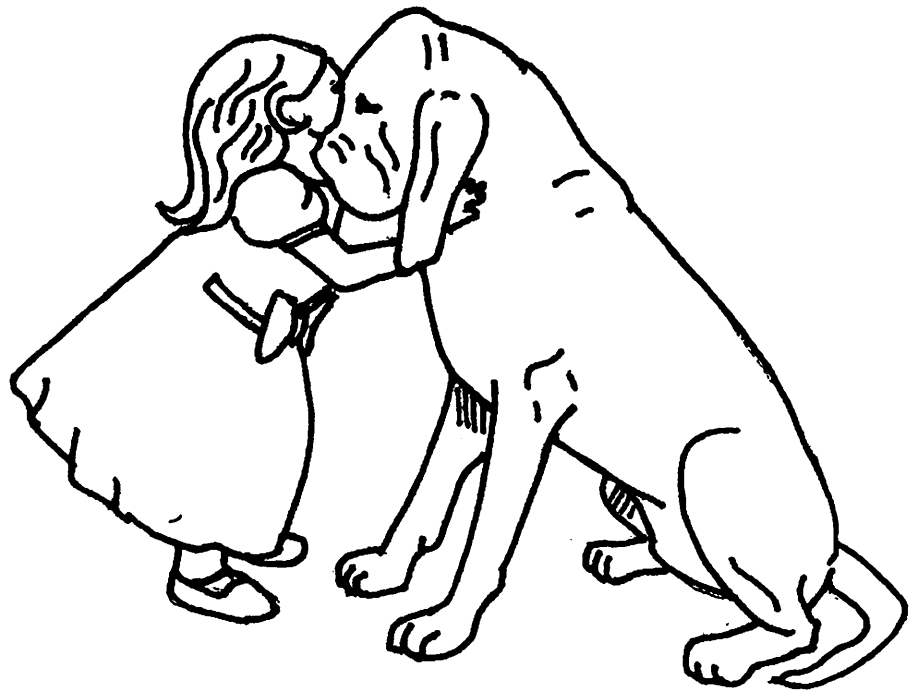

Puppy likes to chew on stuff, keep your stuff picked up so he only chews on things that are safe

Puppy needs nap time, when he is sleeping, let him sleep. He will wake up and want to play with you soon enough

Bloodhounds like to use their nose to find things, let's make a game out of it

But most of all, your new Bloodhound puppy  
needs Love.
